Dear brother Adamson:

Thank you so much for sending me a copy of the letter you wrote brother Lemmons. I have also read the letter that brother Roosevelt Wells wrote him. Between the two of you, I am convinced that some very incisive things were said that brother Lemmons was not aware of, or was criminally neglecting to remember. I feel so strongly about the terrible error made in the editorial and I thought you spoke to it directly. You also displayed a spirit of Christ and I appreciated that.

By the time you receive this letter, we should have had opportunity to be together at Lake Geneva, but I wanted to put in writing my deep appreciation for sharing these thoughts with me.

Your brother,

John Allen Chalk
